This document consists of one list:

1. 149 Chinese listed in the NSWBDM for the Tambaroora and Hill End Registration District up to 1918, some are interred in the Chinese Cemetery but **NOT** all Page 2

This list has been compiled from several sources:

1. New South Wales Births, Deaths and Marriages Register. [NSWBDM]
2. Newspaper Family Notices by TROVE, National Library of Australia.

**NOTE:**

**Please note that the information relating to an individual's death has been derived from the death certificate. As its accuracy is dependent upon the details supplied by the Doctor and Informant, certain particulars may be incorrect, particularly those concerning the individual's name, place of origin and other details. Other errors may occur in trying to decipher the hand writing of the Registrar of either Tambaroora or Hill End.**

Names in the list below include the cross referenced names in the NSWBDM using the the same DC registered number.

The only way to confirm who is interred in the Chinese Cemetery would be by the persons death certificate, and that is not guaranteed to tell you. To date no list has been found to confirm who is interred in the Cemetery.

The names below come from the NSWBDM for the registration districts of Tambaroora and Hill End up to 1918 which covered an area of approximately 1200 sq. kms in 1859. Many of the names in this list would have been interred in other cemeteries or were interred where they were found as per newspaper reports of the day.

**Blue Bold Text** = Mixed Marriages or children of a mixed marriage.

**THIS LIST WILL CONTINUE TO EVOLVE AS SOURCE MATERIAL BECOMES AVAILABLE**
